

DRAGON'S BLOOD LP

Ancestral knowledge for modern use - Lip Care

INCI NAME:

Butyrospermum Parkii Butter Extract, Argania Spinosa Kernel Oil, Croton Lechleri Resin Powder

DOSE OF USE:

FROM 5 TO 10%

SOLUBILITY:

OIL SOLUBLE

PRESERVATIVE:

PARABEN FREE

DESCRIPTION:

DRAGON'S BLOOD LP is combination of exceptional ingredients like **Shea Butter** and **Argan Oil**, with an extract obtained from the latex of the tree **Croton lechleri**, with multiple beneficial properties for lip care treatments.

Main active components from Dragon's Blood are:

- **Proanthocyanidins:** Main component in quantity. They have strong and powerful anti-oxidant effect (stronger than different forms of vitamin C used in cosmetics). They also protect and strength collagen fibers
- **Taspine:** Responsible for its cicatrizing action
- Lignans, unsaturated fatty acids, pigments and flavonids

This composition makes Dragon's Blood LP, **Ecocert Validated** active, a valuable and ready-to-use ingredient to treatments of dried, damaged and cracked lips

COSMETIC USE:

- ✓ Dried lip care
- ✓ Protective formulations- creates a "second skin"
- ✓ Formulas lip repair
- ✓ Cosmetic preparations for lips lacking elasticity

PROPERTIES:

The active components of Dragon's Blood will:

- ✓ Stimulates the scab formation
- ✓ Helps wound contraction
- ✓ Regenerates the skin by promoting collagen formation
- ✓ Improve cracked and damaged lips

Shea butter protects, nourishes, moisturises and soothes dry lips.

Argan oil presents an exceptional percentage of essential fatty acids, the main one is linoleic acid (omega 6, the most essential of all) ensuring the functions of repair and defence of the lip

Epidermis has the protection from a multi-layer Stratum Corneum

At lips, this protection does not exist thus become more sensitive
